Looks like I'm the Queen.
The wind is howling like this swirling storm inside.
Heaven knows I've tried.
Don't let them in, don't let them see.

Be the good girl you always have to be.
Conceal, don't feel,
don't let them know.

Well now they know.
Let it
go, let it go. Can't hold it back any more.

Let it go, let it go. Turn away and slam the door.

I don't care what they're going to say. Let the storm rage on.

The
cold never bothered me any-way.

It's funny how some dis-
tance makes ev-'ry-thing seem small.

And the

fears that once con-trolled me can't get to me at all.
It's time to see what I can do to test the limits and break through. No right, no wrong, no rules for me. I'm free! Let it go, let it go, I am one with the wind and sky. Let it go,
let it go.
You'll never see me cry.

Here I stand and
here I'll stay.
Let the storm rage on.
The cold never bothered me anyway.
My power flutters through the air into the ground.

My soul is spiraling in frozen fractals all
around.
And one thought crystallizes
like an icy blast.
I'm never coming back.
The past is in the past.
Let it go,
Let it go,
When I'll rise like the break of dawn.
Let it go, let it go.

That perfect girl is gone.

Here I stand

in the light of day.

Let the
torm rage on.
The cold never bothered me anyway.
